RE: PUBLIC RECORDS ACT REQUEST

Dear Mr. Rubins:

The County of Stanislaus (County) is in receipt of your California Public Records Act (PRA) request received on June 27, 2019. The request was forwarded to the undersigned for a response. Please direct any future correspondence to the undersigned.

We have determined that your request requires the County to search for and collect the requested records from an office or other establishment that is separate from this office and also the potential of the need to search for, collect, and appropriately examine a voluminous amount of separate and distinct records. The undersigned noted your attachments to your letter of June 24, 2019, but the undersigned is presently unaware of any prior request on this particular topic.

As a result, the date for determining if the Department has disclosable public records in its possession is hereby extended an additional fourteen days pursuant to Government Code section 6253(c). Please note, that on behalf of the County, I am reserving their rights to invoke any and all exemptions and exceptions germane to this PRA, and at this time I am merely invoking the County's right to extend the time to dispatch a determination. This does not mean that records will be forthcoming on the date the extension expires.

Accordingly, we expect to dispatch a determination of your request by July 22, 2019.

Sincerely,

THOMAS E. BOZE
COUNTY COUNSEL
